

FREE ONLINE CREDIT CARD PROCESSING SYSTEM for all LDA members impacted by the storm.

Best Card understands that your business is your livelihood. If you've been affected by Hurricane Ida, we are offering all of our LDA members that use Best Card a temporary online processing system, waiving gateway fees for three months. This will allow you to run credit card payments on any computer or smart device without physical equipment.

If you are not already with Best Card, we will offer you the same online system – waiving gateway fees for three months and on our low pricing we offer all LDA members. *Additionally, we will waive any early termination fees.*

We're all committed to supporting you in the coming days, weeks, and months. We're here to help you recover quickly so that you can come back stronger than ever. If you need any assistance with your credit card processing due to the impact of the storm, we are here to help. Call Best Card at 877-739-3952.
