About Us: Affordable Smiles is a quickly growing dental group looking to add motivated professional staff to our team. We provide dentists with high end facilities and state of the art equipment while minimizing administrative tasks, allowing providers to focus on what is most important- providing quality patient care.

Why Affordable Smiles?

- Potential for Growth and Ownership– As the company continually expands, opportunities for leadership and potential ownership are abundant.
- Autonomy in Treatment Planning- Our doctors are trusted with defining the best plan of treatment for their patients based on individual patient needs.
- Ability to Focus on Patient Care– The company's administrative team handles all aspects of running the business leaving our doctors with less stress and able to focus totally on patient care.
- Latest Technology and Systems- Offices are equipped with CEREC machines, 3-D x-ray systems, and other modern dental software to ensure our dentists can perform to their fullest.
- Mentorship- Our team of experienced owners and associates are focused on promoting the dentist's individual growth and interests through mentorship and training.
