# Why Louisiana Dental Association?

Established in 1878, the Louisiana Dental Association (LDA) is the largest professional health organization for dentists in Louisiana. It is a statewide grassroots organization whose purpose is to promote, advocate, and protect the dental professional. The LDA has over 1,900 members.

Tired of going to LARGE expos or conferences and having no traffic at your sponsor table? Or having no real leads? LDA events are sized perfectly to benefit both the sponsor and the dentist. Dentists aren't OVERwhelmed with their classroom size and sponsors aren't UNDERwhelmed with the attendance numbers. The best part of all, the dentists at our events are a captive audience to all sponsors and truly excited to talk with you! What more can you ask for?

There are SO many benefits to sponsoring LDA events but here are a few ways we advertise our events with YOUR company name before you even arrive at the venue!

- Advertising on the LDA website (your website will be linked to ours via the event page).
- Advertising in event brochures (sent to members and nonmembers).
- Advertising on the AGD PACE Academy website (over 2,000 members).
- Advertising in email blasts.
- Listing in the *LDA Journal* (2,000 subscribers) where the event you are sponsoring is listed.

When you arrive at our events, you will be greeted by an LDA staff member who can assist you with any minor details you might have forgotten. You will also receive the following:

- Informational packets that will detail your sponsor benefits, tell you where to go, what to do when, etc.
