

# Adult Waiver Dental Program

Medicaid now provides additional dental benefits to adults enrolled in the New Opportunity, Residential Options and Supports Waivers

If you are not currently a Medicaid provider but would like to sign up to serve these patients, follow these steps:

1. Patients are assigned to one of two dental plans, **DentaQuest or MCNA**. Contact one or both to become a network provider: DentaQuest 1-800-508-6785, MCNA 1-855-701-6262
2. Let the dental plans know you are looking to join the **Adult Waiver Program only**.
3. Complete the credentialing process for each dental plan you selected.

Providers who have joined Medicaid since March 2022 do not need to enroll with LDH at this time. You will receive an invitation with more information at a later date.
